The Police Sub-Inspectors and the Sergeants are provided with free quarters. The Municipal Executive Engineer has sent 10 estimates for providing electric lights to these quarters. He has said in his letter to the Commissioner of Police that the question of payment of rent to these installations may be taken up by him with the Resident. The Commissioner of Police has simply forwarded the estimates for sanction. If approved a copy of the P.W.C. with enclosures may be sent to the Pay & Accounts Officer for favour of remarks.

Subject.

Estimate for Rs. 102 being the maintenance and working expenses of electric installation in the Residency Press, Bangalore, from 1-4-1928 to 31-3-1929.

Notes and Orders.

Please see p.u.c.

(1) 1. The Municipal Executive Engineer, Bangalore, has sent in an estimate for Rs. 102 being the maintenance and working expenses of electric installation at in the Residency Press for the current year calculated at the rate of Rs. 8-8-0 per month for sanction and return.

2. The monthly bill on account of electric energy consumed in the Press is only Rs. 6-2-0 and the annual charges therefore amount to Rs. 73-8-0. Considering the facts that the electric installation to the Residency Press was made so recently as June 1927 and that only a sum of about Rs. 73-8-0 per annum is required to meet the cost of electrical energy consumed by the Press, the maintenance charges estimated by the Municipal Excecutive Engineer at Rs. 102 which is rather high.

3. Since the time of installation of the electric lights in this Press (June 1927) the total number of bulbs to be replaced is only 7. Out of these seven bulbs, 4 were broken by falling on the floor with their shades on account of defective lamp holders having been fixed

S. L.

orginally

originally and the remaining three bulbs went out of order.

For the above reasons, it would appear that there is no necessity for constant supervision over the installation by a wireman at a cost of Rs. 5 per mensem as stated in the estimate. A small Press like ours cannot afford to bear these heavy charges in view of the fact that these charges will increase the working (overhead) charges of the Press to a considerable extent.

The estimate may therefore be returned to the Municpal Executive Engineer with the remark that the actual expenses incurred on account of this Press may be debited against "46. Stationery and Printing--Works", as the cost in the estimate is too high.

Attention is invited to para 2 of S.N. 3 of Press File and the office notes in para 4. The Municipal Executive Engineer has sent two estimates amounting to Rs. 1093/- for the maintenance of electric lights at the Residency and Resident's office in which the proportionate pay of the wireman (i,e. Electrician) has been debited as follows:-

	Rs.
Pay of wireman at Rs. 55/- a month Proportionate pay debitable to the Residency per mensem	35/-
-do- -do- to the Resident's Office.	2½/-
	37½

x Recp. K.

This agrees with the amount given in para 2 of S.N. 3/Press file. The estimates may perhaps be sanctioned. As regards ~~The~~ "Police" and general administration" reference papers ~~general sanction asked for may also be accorded.~~ are being searched and will be submitted separately.
